### **CRITERION 2**

### **TEACHING & LEARNING**

#### **2.5 EVALUATION PROCESS AND REFORMS**

##### **2.5.1. Mechanism of Internal/External assessment**

### 2.5.1. Mechanism of internal/external assessment is transparent and the grievance redressal system is timebound and efficient

#### **Mechanism of Internal/External Assessment:**

Assessment at the institute is transparent, flexible and robust. Being an affiliated institution, ANCP follows the academic calendar, examination and evaluation procedures laid down by JNTUA for all the programmes. The institute organizes Orientation Program for newly admitted students and their parents during which the Principal and the College Examination Cell In-charge explain the detailed guidelines about the scheme of examination, evaluation system and passing criteria.

The institute has constituted an **Examination Committee** which takes care of all examination related work at institute level. Examination Cell In-Charge communicates all exam related matters to staff and students through circulars and displays them on the college notice board. It is mandatory for the faculty to set and submit the question paper for the mid exams as per the Guidelines within the stipulated time. The institute follows the regulations of JNTUA for the assessment process of the theory & practical subjects. Marks secured by students in the mid examination are displayed in the notice board. The answer scripts are preserved and documented for further clarification and use.

Internal assessment for theory & practical subjects and External assessment for practical subjects are done at institutional level. External assessment for Theory subjects done by the University. Results are announced by the University when the valuation is over and the result sheets are available in the university results portal. The consolidated Report of Results are displayed in the college notice board and website.

#### **Grievance redressal system (Examination related):**

The Examination Committee deals with examination related grievances. A student's grievance register is maintained by the Examination Committee, grievances like hall ticket errors/name/marks entry corrections are registered by the student in the grievance register. The complaint is forwarded to the University. In due course, the case as resolved is registered in the grievance register. The Chairman of the committee sees that if any grievances observed, it should be handled efficiently and, in a time-bound manner. In case of any mistake or error in hall tickets, Examination Committee clarifies the issue after consulting the Controller of Examinations/Director of Evaluation of the University.

Any discrepancy in the results is analyzed, the same will be referred to JNTUA. The Examination Committee follows up the grievance by writing a letter to the university along with relevant supporting documents for further process. Failure students may opt for recounting/challenge evaluation if they are not satisfied with their marks. The applications submitted by the students are forwarded to the University. For each correspondence, the University acknowledgment for grievance is maintained & the issue is resolved at the earliest. The follow up of the grievance is given priority by the Examination Committee.

**GRADING OF PERFORMANCES**

**1. Letter grades and grade points allocations:**

Based on the performances, each student shall be awarded a final letter grade at the end of the semester for each course. The letter grades and their corresponding grade points are given in the Table-XIV.

**Table-XIV: Letter grades and grade points equivalent to Percentage of marks and performances**

Percentage of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 - 100	O	10	Outstanding
80.00 - 89.99	A	9	Excellent
70.00 - 79.99	B	8	Good
60.00 - 69.99	C	7	Fair
50.00 - 59.99	D	6	Average
Less than 50	F	0	Fail
Absent	AB	0	Fail

A learner who remains absent for any end semester examination shall be assigned a letter grade of AB and a corresponding grade point of zero. He/she should reappear for the said evaluation/examination in due course.

For mandatory courses, "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be conducted for the completion of SGPA/CGPA

**2. The Semester grade point average (SGPA)**

The performance of a student in a semester is indicated by a number called 'Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses(Theory/Practical) in a semester with credits C<sub>1</sub>, C<sub>2</sub>, C<sub>3</sub>, C<sub>4</sub> and C<sub>5</sub> and the student's grade points in these courses are G<sub>1</sub>, G<sub>2</sub>, G<sub>3</sub>, G<sub>4</sub> and G<sub>5</sub>, respectively, and then students' SGPA is equal to:

$$SGPA = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and ABS grade awarded in that semester. For example if a learner has a F or ABS grade in course 4, the SGPA shall then be computed as:

$$SGPA = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 * ZERO + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

**BACHELOR OF PHARMACY**

**3. Cumulative Grade Point Average (CGPA)**

The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s) is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$CGPA = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4 + C_5S_5 + C_6S_6 + C_7S_7 + C_8S_8}{C_1 + C_2 + C_3 + C_4 + C_5 + C_6 + C_7 + C_8}$$

where  $C_1, C_2, C_3, \dots$  is the total number of credits for semester I, II, III, ..... and  $S_1, S_2, S_3, \dots$  is the SGPA of semester I, II, III, ..... .

**4. Declaration of class**

The class shall be awarded on the basis of CGPA as follows:

First Class with Distinction	= CGPA of 7.50 and above
First Class	= CGPA of 6.00 to 7.49
Second Class	= CGPA of 5.00 to 5.99

**GRADING OF PERFORMANCES**

As a measure of the student's performance, a 10-point Absolute Grading System using the following Letter Grades and corresponding percentage of marks shall be followed:

After each course is evaluated for 100 marks, the marks obtained in each course will be converted to a corresponding letter grade as given below, depending on the range in which the marks obtained by the student fall.

**Structure of Grading of Academic Performance**

Range in which the marks in the subject fall	Grade	Grade points Assigned
≥ 90	S (Superior)	10
≥ 80 < 90	A (Excellent)	9
≥ 70 < 80	B (Very Good)	8
≥ 60 < 70	C (Good)	7
≥ 50 < 60	D (Pass)	6
< 50	F (Fail)	0
Absent	Ab (Absent)	0

- i. A student obtaining Grade 'F' or Grade 'Ab' in a subject shall be considered failed and will be required to reappear for that subject when it is offered the next supplementary examination.
- ii. For noncredit audit courses, "Satisfactory" or "Unsatisfactory" shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA/Percentage.

**Computation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):**

The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$SGPA = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

where,  $C_i$  is the number of credits of the  $i^{th}$  subject and  $G_i$  is the grade point scored by the student in the  $i^{th}$  course.

- i) The Cumulative Grade Point Average (CGPA) will be computed in the same manner considering all the courses undergone by a student over all the semesters of a program, i.e.,

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

where " $S_i$ " is the SGPA of the  $i^{th}$  semester and  $C_i$  is the total number of credits up to that semester.

- ii) Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
- iii) While computing the SGPA the subjects in which the student is awarded Zero grade points will also be included.

**Grade Point:** It is a numerical weight allotted to each letter grade on a 10-point scale. Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters S, A, B, C, D and F.
