## REPORT

Name of the Program : Fire and Safety Programme

Duration of Training : 02.08.2018 – 07.08.2018

Annamacharya College of pharmacy organized “Fire and Safety Programme” for Lab Technicians in ANCP from 02.08.2018 to 07.08.2018. The main objective for conducting this program to be used by technicians in the proper handling of instruments is to note some points involved to be noted by technicians are:

Though extinguishers come in a number of shapes and sizes, yet all operate in a similar manner. You can use them in four steps named PASS:

**P:** Pull the Pin

**A:** Aim at the Base of Fire

**S:** Squeeze the Operating Handle

**S:** Sweep from Side to Side

Remember – safety first! Check whether these can remove the heat and are ideal for fire tackling or not. These should not conduct electricity and can be used on flammable liquids like petrol or solvents. This programme was engaged by technicians in a meaningful way and handled in a proper way by technicians. **15 non-teaching staff from the college** have attended this informative program. On the evening of the program, open feedback was taken from the

## REPORT

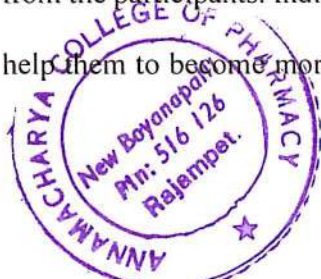

**Name of the Program : Maintenance of Herbal Garden**

**Duration of Training : 18.02.2020 – 22.02.2020**

Annamacharya College of pharmacy organized “Maintenance of Herbal Garden” for Non-Teaching Staff in ANCP from 18.02.2020 to 22.02.2020. The main objective for conducting this program to be used by technicians in the proper maintaining of garden of herbal for usage of good medicine to be noted some points involved to be noted by technicians are:

1. Tidy up the mess.
2. Haircuts – aka prune the unattractive plant dead-ends.
3. Feeding.
4. Seasonal Monitoring.
5. Water properly.
6. Clean up gardening tools.
7. Destroy the weeds.

This programme was engaged for non-teaching staff in a meaningful way and to handle a proper way for maintain the herbal garden. **10 non-teaching staff from the college** have attended this informative program. On the evening of the program, open feedback was taken from the participants. Individuals revealed that this programme was very interesting and would help them to become more dynamic in the handling of fire extinguishers and also at the time

## REPORT

Name of the Program : Handling of Instruments

Duration of Training : 31.05.2022 – 04.06.2022

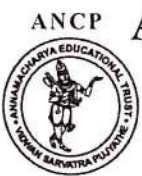

Annamacharya College of pharmacy organized "Handling of Instruments" for Lab Technicians in ANCP from 31.05.2022 to 04.06.2022. The main objective for conducting this instrument to be used by technicians in the proper handling of instruments is to note some points involved to be noted by technicians are:

1. Clean and dry the instruments immediately after use.
2. Instruments should be used for their intended purpose only.
3. Don't place instruments in saline or any other harsh solutions.
4. Ultrasonic cleaning is one of the most effective cleaning methods.
5. Lubricate all instruments that have any metal-to-metal action before autoclaving.
6. Use a softer brush for manual cleaning.

This programme was engaged by technicians in a meaningful way and handled in a proper way by technicians. 8 technicians from the college have attended this informative program. On the evening of the program, open feedback was taken from the participants. Individuals revealed that this programme was very interesting and would help them to become more dynamic in the handling of instruments as individuals and enhance their instrument handling.
