## VISION

We at ANCP impart futuristic technical education and instill high patterns of discipline through our dedicated staffs who set global standards, making our students technologically superior and ethically strong, who in turn shall improve the quality of life of the human race.

## MISSION

Our mission is to educate students from the local and rural areas so that they become enlightened individuals, improving the living standards of their families, industry and society. We provide individual attention, world-class quality of technical education and take care of character building.

### TECHNICAL SESSION ON DRUG CONTROLLING IN PHARMACIST

Department of Pharmacology & Pharmacy Practice, organized a technical session on Drug controlling in Pharmacist on 14<sup>th</sup> July 2015. Dr. E. Vigneshwaran, Associate Professor, RIPER, Ananthapur, highlighted the importance of pharmacist role in drug controlling & drug utilization. He briefed the gathering about the role of Pharmacists in the Health Care System. He stated the significance of life skills in professional developments of pharmacy students. The Department faculty members and students had collectively put their efforts to make this program successful.

### TECHNICAL SESSION ON "CLINICAL TRIALS"

On 15<sup>th</sup> July 2015, Prof. K.V.S.R.G. Prasad, Sri Padmavathi Mahila University, Tirupathi, delivered a note on the Clinical Trials. He explained that the Clinical trials are one of the final stages of a long and careful research process for the releasing of a new drug into the market. The process often begins in a laboratory, where scientists first develop and test new ideas. For safety purposes, clinical trials start with small groups of patients to find out whether a new approach causes any harm. The Clinical trials include four stages of tests and which are followed by Pharma companies. The purpose of it is to protect patients and to produce reliable results. So, at least 12 years period will be required for the release of new medicine into the market. In memory of ANCP, a small memento was given to the speaker.

**Dr. C. GOPINATH**  
M.Pharm., Ph.D., FIC, FAGE, BA, PGDEM  
Principal, ANCP

I am glad to come into contact with you through this message.
