# About Annamacharya College of Pharmacy (ANCP)

Annamacharya College of Pharmacy, Rajampet, is a prestigious institution dedicated to providing quality education and fostering innovation in the field of pharmaceutical sciences. Established with the aim of nurturing future leaders in pharmacy, the college offers a comprehensive curriculum that integrates theoretical knowledge with practical experience.

## Key Highlights:

### Accreditations & Approvals:

**NBA Accreditation:** The B.Pharm program has received NBA accreditation 4 times consecutively, reflecting the college's commitment to maintaining high academic standards.

**NAAC 'A' Grade:** Accredited with an 'A' grade by NAAC in 2 consecutive cycles.

**ISO 9001 Certification:** Ensures quality management systems are in place to provide exceptional educational services.

**PCI Approval:** Approved by the Pharmacy Council of India (PCI), ensuring the curriculum meets the professional standards required for pharmacy education.

**UGC Autonomous Status:** Granted UGC Autonomous status for a decade, from 2023-24 to 2032-33, allowing the institution to design its own curriculum and conduct examinations.

### Programs Offered:

The college offers **B.Pharm** (Bachelor of Pharmacy), **M.Pharm** (Master of Pharmacy) with 4 specializations - **Pharmaceutics, Pharmaceutical Quality Assurance, Pharmaceutical Chemistry and Pharmacology**, **Pharm.D** (Doctor of Pharmacy), **Pharm.D. PB** (Post Baccalaureate) and **Ph.D.** programs in Pharmaceutical Sciences.

**Infrastructure & Facilities:** ANCP boasts state-of-the-art laboratories, a well-stocked library with the latest books and journals, modern classrooms, and research facilities. The campus provides a conducive learning environment with access to the latest technologies and resources.

**Research & Development:** The college is actively involved in research activities, encouraging both students and faculty to engage in innovative projects. It collaborates with industry and academic institutions to foster research that contributes to the advancement of pharmaceutical sciences.

**Placements & Industry Connect:** The college has a strong network with pharmaceutical companies and healthcare organizations, providing students with ample opportunities for internships and placements. The Training and Placement Cell conducts regular workshops, industry visits, and soft skills training to prepare students for successful careers.

**Community Engagement & Outreach:** ANCP is committed to social responsibility and regularly conducts health camps, awareness programs, and community service activities. These initiatives aim to promote health and well-being in the local community.

With a focus on excellence in education, research, and community service, Annamacharya College of Pharmacy continues to be a leader in pharmacy education, shaping the future of healthcare and pharmaceutical sciences.

## About the Seminar

The aim of the seminar is to **bridge the gap between Pharmaceutical Sciences and Clinical Practice** through the application of innovative research methodologies which helps to accelerate the drug discovery and development process, enhance the safety and efficacy of drugs through rigorous testing and analysis, brings team work among industry scientists, clinicians and other healthcare professionals leading to innovative and simple solutions for complex healthcare challenges, which majorly focus on the development of personalized medicine approaches, ensuring that treatments are suitable to the individual patient needs for better outcomes.

The participants will be encouraged to exchange ideas, share insights, and discuss the latest advancements in the integration of pharmaceutical research and clinical practice. By allowing the collaboration and exchange of knowledge, the seminar will contribute to the advancement of healthcare innovation, ultimately improving patient care and outcomes.

### **Objectives of the event:**

- o To promote collaboration between pharmaceutical sciences and clinical practice for the development of new drugs.
- o To encourage interdisciplinary teamwork among healthcare professionals to aid innovative solutions for complex healthcare challenges.
- o To provide insights into integrating advanced research methodologies from both fields for improving the drug development and patient-centered outcomes in clinical practice.
- o To focus on ethical research conduct in interdisciplinary research settings ensuring safety and efficacy of patients.
- o To enhance the ability to translate research investigations into clinical practice, which contribute to the development of personalized medicine.

### **Expected Outcomes:**

By the end of seminar, participants are expected to achieve several outcomes.

- o Strengthen partnerships between pharmaceutical scientists and clinical practitioners.
- o Improves proficiency in advanced and interdisciplinary research methodologies.
- o Enhances the ability to effectively translate research findings into clinical practice.
- o Develop innovative research projects addressing complex healthcare challenges.
- o Contribution to healthcare innovation, leading to better patient outcomes.
- o Increases confidence in conducting impactful interdisciplinary research.

## Plenary Sessions by Eminent Speakers

**Dr. B. Dinesh Kumar**  
Scientist 'G' & HoD  
Drug Safety

ICMR-National Institute of Nutrition, Hyderabad.

**Prof. Dr. Rajesh Venkataraman**  
Professor and Head, Dept. of Pharmacy Practice,  
Sri Adichunchanagiri College of Pharmacy,  
Adichunchanagiri University, B.G Nagara.

**Dr. G. V. Narasimha Kumar**  
Research Officer/Scientist-1, Drug Standardization Unit,  
Dr Anjali Chatterjee Regional Research Institute  
for Homeopathy, CCRH, Ministry of Ayush, Kolkata.

**Dr. Satheesh Gottipati**  
Dean of Academics  
Vignan Pharmacy College  
Vadlamudi, Guntur.

**Dr. Sivasankaran Ponnusankar**  
Professor and Head  
Dept. of Pharmacy Practice  
JSS Coolege of Pharmacy, Ooty.

**Dr. Krishna Undela**  
Asst. Professor  
Dept. of Pharmacy Practice  
NIPER, Guwahati.

## Call for Papers

Scientific Review/Research Papers of Original & Unpublished works are invited from the delegates for Poster/Oral Presentations on the following subjects.

Pharmaceutics || Pharmaceutical Chemistry || Pharmacology || Pharmaceutical Analysis || Quality Assurance ||  
Clinical Pharmacy || Pharmacy Practice || Drug Regulatory Affairs || Industrial Pharmacy || Biotechnology ||  
Immunology || Medical & Health Sciences.

**Abstract Submission Guidelines:** Abstract submissions are invited through the **Abstract Submission Link** no later than 10-02-2025. Submissions may include abstracts for **both research and review articles**, adhering to a word limit of 250 words.

**Formatting requirements are as follows:**

Font: Times New Roman

Title: Bold, font size 14

Authors and Affiliations: Full names and affiliations in regular font, size 12

Presenting Author: Name in bold, marked with an asterisk (\*), and accompanied by their email address

**Please note that the presenting author must register for the conference to be eligible for presentation.**
